

# Towards the Wise Use of Bioresources: -From Basic Science to Industrial Application-

May 31 , 2023 1PM-5PM

Venue; Lecture Hall, National Institute of Genetics, Mishima

<https://idenshigen.jp/en/2023/04/05/aaacu2023/>

## Opening remark

Fumio Hanaoka, Director General, NIG  
Satoru Tsuchikawa , Nagoya University

## Innovation based on Bioresource

Mutsuaki Suzuki, NIG

## Nagoya Protocol Implementation in Nagoya University

Shigeki Saito, Nagoya University

## Passion in Seed

(Atsushi Koseki, Sakata Seed)

## Bioinformatic approach in Agriculture

Masanori Arita, NIG

## Returning local rice varieties as genetic resources in the original countries

Takashige ISHII , Kobe University

## SEARCA activity

GLENN B. GREGORIO,SEARCA

## Discussion

## Closing remarks

Jun Murase,Nagoya University

Host: National institute of Genetics
